

Five Little Birds

Written and composed by Siu Williams-Lemi, 2019 ©
Recorded and performed by Loopy Tunes Preschool Music, 2019 ©

CHORUS

*Walking through the forest, and what do I see?
Five little birds sitting in a tree.
One flew over to talk to me,
I wonder who could it be?*

"My name is **Pūkeko**,
I have a red beak, blue and black feathers on
my back.
It's time for me to say, e noho rā!"
How many birds are left in the tree?
1, 2, 3, 4...

*Walking through the forest, and what do I see?
Four little birds sitting in a tree.
One flew over to talk to me,
I wonder who could it be?*

"My name is **Ruru**, I'm the little night owl,
I sleep all day long.
It's time for me to say, e noho rā!"
How many birds are left in the tree?
1, 2, 3...

*Walking through the forest, and what do I see?
Three little birds sitting in a tree.
One flew over to talk to me,
I wonder who could it be?*

"My name is **Kea**, I have green and yellow
feathers,
I'm a pretty cheeky bird.
It's time for me to say, e noho rā!"
How many birds are left in the tree?
1, 2...

*Walking through the forest, and what do I see?
Two little birds sitting in a tree.
One flew over to talk to me,
I wonder who could it be?*

"My name is **Tūī**, I'm the parson bird,
I sing all day long.
It's time for me to say, e rā!"noho
How many birds are left in the tree?
1...

*Walking through the forest, and what do I see?
One little bird sitting by the tree.
It walked over to talk to me,
I wonder who could it be?*

"My name is **Kiwi**, I have a really long beak,
I don't fly around at all.
It's time for me to say e noho ra!"
How many birds are left in the tree?
None!

*Walking through the forest, and what do I see?
No little birds sitting in a tree.
I wonder if they'll come back to talk to me?
Maybe next time, we will see!*

No One Like You

Written and composed by Andra Willis
Recorded and covered by Loopy Tunes Preschool Music

I like your eyes

I like your nose

I like your mouth, your ears, your hands, your toes

I like your face

It's really you

I like the things you say and do

There's not a single soul

Who sees the skies

The way you see them through your eyes

And aren't you glad?

You should be glad

There's no one, no one... exactly like you!

The Happy Song

Recorded and performed by Loopy Tunes Preschool Music, 2019 ©

CHORUS

It's the happy song sing doo be doo wop

Turn that frown upside down and sing doo be doo wop

Smile all day long and sing doo be doo wop

A shoo be doo be doo be doo be doo be doo wop

Sometimes there are those days, when I feel really blue

My smiles turned upside down, and I don't know what to do

Tears start falling down, both sides of my face

But then I remember that happy song... **CHORUS**

And then there are those days, when I feel really scared

My hands begin to shake, from all those things I've feared

Sometimes it's cos its dark, or because I'm on my own

But then I remember that happy song... **CHORUS**

And then there are those days, when I feel really mad!

I put my hands on my hips, and I scream at Mum and Dad

I'm grumpy, and I'm angry, and I stomp my feet real loud!

But then I remember that happy song... **CHORUS**

Tētahi Taniwha / One Day A Taniwha

Written and composed by Beatrice Piatarihi Tui Yates
Recorded and covered by Loopy Tunes Preschool Music

Tētahi taniwha
Kauhoe i te moana
Kohimu i taku taringa
"Kia haere tāua
Tipi haere tiro tiro
I raro i te moana."

Ka mea au, "Kao, kao, kao!
Me haere, haere koe.
Ahakoa he hoa tāua.
Tātari ana tāku Māmā,
Kei raro i te rākau kōwhai.
Taniwha, haere rā."

One day a taniwha
Went swimming in the moana
He whispered in my taringa
"Oh, won't you come with me
There's such a lot to see
Underneath the deep blue sea."

I said "Oh, no, no, no!
You'd better go, go, go,
Although I know we could be friends.
My Mama's waiting for me
Underneath the kōwhai tree
Taniwha, haere rā!"

Oh, taniwha, haere rā!

Written and composed by Siu Williams-Lemi, 2019 ©
Recorded and performed by Loopy Tunes Preschool Music, 2019 ©

Peek-a...

Peek-a...

Peek-a...

BOO!!!

The teddy bears are bouncing up and down

The teddy bears are bouncing up and down

Let's give them a shake...

wiggle, wiggle, wiggle, wiggle

Give them a shake...

wiggle, wiggle, wiggle, wiggle

Now it's time for teddies to hide away.

It's time for our teddies to hide away.

Let's try and find our teddies,

who are hiding away

Let's try and find our teddies,

who are hiding away...

Ohhh, where, oh where,

Have the teddy bears gone?

Oh where, oh where, can they be?

With their two little ears,

And their button nose.

Oh where, oh where, can they be?

Peek-a...

Peek-a...

Peek-a...

BOO!!!

In lots of different sizes... some big, some small

With just a bit of air

They form into a... into a floating little ball

Catch a falling bubble

Catch it with your scarf

Don't let it touch the ground **x 2**

In lots of different sizes... some big, some small

With just a bit of air

They form into a... into a floating little ball

Don't let it touch the ground
