CHORUS

Let's take those lemons that life gives us and make lemonade
Let's take those lemons that life gives us and make lemonade
*Those lemons they are so sour, but if we use our inner **POWER!***
We can take those lemons that life gives us and make lemonade

Oranges they are so sweet, and apples are a tasty treat
but lemons make my face screw up like this! 😞 *Ugh! Blurgh!*
But when life throws you lemons, you just pause, stop and think
Hey, I know what I can do... I'll make some lemonade!

CHORUS

Watermelons are so juicy and pears are crunchy when they're green
But lemons make my whole body just scream!!! 😞 *Argh! Ahhhhh!*
Cut them up, add sweetener too and a splash of water - a cup or two
Then you've got yourself some delicious tasting lemonade. *Mmmm mmmmm!*

Sometimes there'll be those days when everything goes wrong,
Just pause, stop and think... hey, it won't be for that long
Instead of being blue, you can think what you can do
To turn your day the right way around and get rid of that frown

CHORUS

Let's take those lemons that life gives us and make lemonade
Let's take those lemons that life gives us and make lemonade
*Those lemons they are so sour, but if we use our inner **POWER!***
We can take those lemons that life gives us and make lemonade **x2**

*Those lemons they are so sour, but if we use our inner **POWER!***
We can take those lemons that life gives us and make lemonade
