

# We are all different

Written and composed by Siu Williams-Lemi (Loopy Tunes Preschool Music), 2022©

Recorded and performed by Leah Williams-Partington and Siu Williams-Lemi

Maybe you can make someone's day  
By smiling, waving, and saying Hey!  
Or maybe you can learn something new  
If we see another's point of view

## CHORUS

Kōrero, talk with them  
Whakarongo, listen to them  
Akohia, learn about your new friend

They may be different from you,  
Different clothes, different hair, different shoes,  
Some say different is weird,  
But different is normal so don't be scared

## CHORUS

Ooooooh, we are all different (We are all different, yeah!)  
Ooooooh, yes you and me (You and me, you and me, you and me!)  
Ooooooh, we are all different (We are all different, yeah!)  
We're all different you and me  
Let's count to three, and shout yipeeee  
1, 2, 3, yipppeee!

## CHORUS x2

Akohia, learn about your new friend
