ROUND AND ROUND (Parachute Song)

Round and round and round it goes, oh so slow around it goes
Round and round and round it goes, 'til the music stops

Back and forth and back it goes, back and forth and back it goes
Back and forth and back it goes, 'til the music stops

Hold it up high and down so low, hold it high and down so low
Hold it up high and down so low, 'til the music stops

Sway like a tree, left to right, left to right, left to right
Sway like a tree, left to right, 'til the music stops

Wobble like jelly, wobble, just like jelly, wobble,
Wobble like jelly, wobble, 'til the music stops

Round and round and round it goes, oh so slow around it goes
Round and round and round it goes, 'til the music stops
